

Date: 9th May.

Update on signing GrEAT network collaboration agreement

Siong:

States of collaboration agreement. Progress well. Wait for some institutes to sign.

Any comments on the agreement or signing?

Remind: need to be signed ASAP.

Update on institutional information listed at GrEAT website

https://gilsay.physics.gla.ac.uk/dokuwiki/doku.php?id=great_network:start

Update member. Aim: To inform management about members and works.

Please do so if haven't done.

Kick-off GrEAT network meeting/school?

Kick off meeting in China for the first year. July/August/September.

Patrick: September teaching in China?

July is full of meetings.

Xilong: existing meeting broad discussion of collaboration with Australia in July.

Siong: 1st/2nd week of September or beginning of August proposed. Do the doodle poll.

Formality: 1-2 days of brain-storming, then some lectures to students etc.

Location? (No one object to hosted in China). Where exactly? (will send in email to have time for discussion).

Budget for short visit (for UK people to visit China).

Possible visits or projects

Fill form <https://owncloud.gla.ac.uk/cloud/s/nldbGJ2Sbh2VJLe> (Great01)

Not very strict in applying.

Small amount of money for buying equipment.

So far only one submission. Please submit (could be done for students.)

Budget can cover air fare. Option to allow more visits.

Long visit is 4-6 weeks. Manage to stretch to two months.

Anyone not subscribed to the mailing list.

AOB?
